ARMONK CHILDREN'S CORNER

Serving Children in Grades K-5 Since 1983

The Armonk Children's Corner is a non-profit school-age child care program conveniently located in the Coman Hill Elementary School. Our Center provides children with a variety of enriching activities such as arts and crafts, cooking, athletics, science and nature, drama, socialization and much more.

Our **Before School Program** opens at 7:15 A.M. and is designed for school-age children of working parents. A warm and nurturing environment is provided through a variety of activities. The children who attend Wampus Elementary School will be transported to school at the appropriate time by Byram Hills Transportation. The children who attend Coman Hill will be escorted to their classrooms by our staff at the end of the program.

Our **After School Program** begins at 3:00 P.M. when the children are picked up at the bench outside of the cafeteria by our staff. The children participate in fun and exciting activities, ranging from arts and crafts and athletics to cooking, science and nature and much more. We also provide a healthy snack at the beginning of each session. Homework assistance is available upon request. The program closes at 6:30 P.M.

For additional information or to register please call 273-6224, or email us at info@armonkchildrenscorner.com. You can visit us on the web at www.armonkchildrenscorner.com
